DETAILED ACTION

Status of Claims

- 1. This action is in reply to the US application filed on 12-16-2003.
- 2. Claims 1-4 are currently pending and have been examined.

Priority

3. Applicant's claim for the benefit of a prior-filed application under 35 U.S.C. 119(e) is acknowledged.

Information Disclosure Statement

4. The Information Disclosure Statements filed on 3-30-2004 and 7-08-2004 have been considered. An initialed copy of the Form 1449 is enclosed herewith.

Drawings

- 5. The drawings are objected to because:
 - Numbering of views. (1) The different views must be numbered in consecutive
 Arabic numerals, starting with 1, independent of the numbering of the sheets
 and, if possible, in the order in which they appear on the drawing sheet(s). View
 numbers must be preceded by the abbreviation "FIG." Where only a single view
 is used in an application to illustrate the claimed invention, it must not be
 numbered and the abbreviation "FIG." must not appear. (2) Numbers and letters

identifying the views must be simple and clear and must not be used in association with brackets, circles, or inverted commas. The view numbers must be larger than the numbers used for reference characters. 37 CFR 1.84(u)

Claim Rejections - 35 USC § 102

6. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless -

- (a) the invention was known or used by others in this country, or patented or described in a printed publication in this or a foreign country, before the invention thereof by the applicant for a patent.
- 7. Claims 1-4 are rejected under 35 U.S.C. 102(a) as being anticipated by Rowe, US 2002/0002075.

Examiner's Note: The Examiner has pointed out particular references contained in the prior art of record within the body of this action for the convenience of the Applicant. Although the specified citations are representative of the teachings in the art and are applied to the specific limitations within the individual claim, other passages and figures may apply. Applicant, in preparing the response, should consider fully the entire reference as potentially teaching all or part of the claimed invention, as well as the context of the passage as taught by the prior art or disclosed by the Examiner.

8. **As per claims 1 and 3**, Rowe teaches:

 house card issuing means (see at least paragraph 0056) for issuing a house card which stores user information enabling identification of a user of said services (see at least paragraph 0068);

- a house card server for instructing said house card issuing means to issue said house card (see at least paragraphs 0036, 0037, 0056; the account provider is the house card server which establishes the account which includes issuing the house card); and
- a service management server for utilizing said user information to manage a
 casino deposit which enables said user to utilize casino services upon
 acquirement of said house card (see at least paragraph 0082, the account
 provider is also the service management server), and for outputting service data
 indicating use of said casino services by said user (see at least paragraph 0097)
 when usage restriction conditions placed on said casino services are satisfied
 (see at least paragraph 0080),
- wherein said house card server stores the service data outputted from said service management server, thus enabling payment for said casino services to be performed individually for each said user (see at least paragraph 0097, for the account provider to output the service data, inherently, it would have this information saved in a data storage accessible to the account provider).
- 9. As per claims 2 and 4, Rowe further teaches:

Application/Control Number: 10/735,822 Page 5

Art Unit: 3694

wherein said service management server determines said usage restriction
conditions according to the presence or absence of a deposit balance indicating
the amount of money remaining in said casino deposit (see at least paragraph
0080).
